

Breakfast Meeting

Friday, May 10, 2019

Stockton Golf & Country Club

3800 W. Country Club Blvd, Stockton

8:30-9:30 am

NAIFA is here to support you and help you grow in your career. Take advantage of this time to meet and get to know and learn from your fellow professionals in the insurance and financial industry.

Please plan to attend the Breakfast if you are interested in being in one of two study groups:

- Experienced agents looking to sharpen their business
- Newer agents looking to set the foundations for good business building habits

We are not just looking for attendees, but also leaders to help run the study groups, as we want to be able to share the responsibility.

We hope to see you there!

Breakfast items will be available for purchase if you would like to eat.

RSVP to kimmetz@naifanorcal.org
